## WHY YOU NEED TRAVEL MEDICAL INSURANCE

Accidents and emergencies happen — and when they do, you wouldn't want to be hundreds or thousands of miles away from home without the proper coverage.

Most people assume they will be covered by their standard health insurance when they travel internationally, but that isn't always the case. While traditional plans may offer adequate domestic coverage, they are not designed for international travel. Without even realizing it, you may be putting your health at risk.

Don't let your medical coverage be an uncertainty. Travel with IMG's Patriot America® Plus so you can spend more time enjoying your international experience and less time worrying about your medical coverage.
